

Positively Charged Toastmasters

President's Message:

Darcel D. Davenger, DTM

Greetings Fellow Toastmasters!

First, I would like to say, "Congratulations" on becoming "**President's Distinguished**," for 15 years. Bravo! What an Awesome Achievement. Most of you already know me, for those that are new, let me introduce myself. I have been a member of Toastmasters International since 2014. I have served as VP Membership, VP Education, Secretary, Sergeant-at-Arms, Pathways Learning Experience Ambassador/Guide, Policy & Procedures Chair, Recognition Chair, and Area Director 34C for two terms. I belong to two clubs: PCT, and NE Philly TMC. As the newly elected President of Positively Charged Toastmasters Club, I am excited and humbled to be chosen to collaborate with all the past presidents and officers of this great club. I believe that Toastmasters global vision shows us that as members of this great organization, we will continue to increase our personal energy and leadership levels through "Pathways."

Club Mission

"We provide a supportive and positive learning experience in which members are empowered to develop communication and leadership skills, resulting in greater self-confidence and personal growth."

I look forward to seeing you at our next meeting.

Sincerely,

Darcel D. Davenger, PCT Club President

15 years strong!

This past June (June 2020), PCT celebrated 15 years as a chartered Toastmasters Club as well as 15 consecutive years as President's Distinguished, the highest honor awarded to any club. Congratulations!

Member Spotlight: Hyden Zhang

Hyden discovered Positively Charged Toastmasters (PCT) on Google and liked the club's name. Not only does it connect the club to PECO but is also reflective of the club's uplifting and positive outlook. He joined our club in 2019 and we are so glad to have him as a valued member.

Hyden's goals are to develop a confident speaking style and improve his diction. He would also like to reduce or eliminate the use of slang.

In his spare time, Hyden spends much of his day with his 5 year old son, reading and computer games. He also enjoys exploring their neighborhood near 10th & South Streets in Philadelphia.

Welcome to Positively Charged, Hyden!

Dues are due September 30, 2020.
